A MAP
OF
THE CITY OF
NEW YORK

By Thomas Digges, Surveyor-General of the City of New York.

LEGEND
The following is a list of the streets and places in the City of New York, as they are now called, and the names of the persons who have been the owners of the same, from the time they were first laid out, to the present time.

THE FIRST GLIMPSE OF "LIBERTY."

The Landing of the Immigrant.

BY M. C. PELTON.

THE recent revolution in the old loose methods in regard to the inspection of immigrants was no doubt brought about by the first torchlight applied by those who considered unrestricted immigration a menace. They even went to such fanatic extremes as to wish to bar out all lowly foreigners for a certain

accomplished such definite ends. Working against popular opinion—though with the mighty support of the govern-

UNDESIRABLES.
